## About NU

The 100 acre, fully-residential green campus of NIIT University (NU) is situated around 100 kms from Gurgaon and 130 kms from Delhi and Jaipur, on the Delhi-Jaipur NH-8 Expressway. NU directly adjoins a 750 acre range of pristine hillocks which form the foothills of the Aravali Range. The campus is equipped with state-of-the-art technology, cutting-edge teaching methodologies and a strong research and development infrastructure, comparable only to the best in the world. NU aims to be the leading centre of innovation and learning in emerging areas of the knowledge society. NU fosters research, discovery and sustainability, delivers distinctive education through the pioneering use of technology, develops talent for sustainable growth of Industry and society, and nurtures a culture of seamlessness in all facets of life.

## Position Summary

NIIT University, Neemrana invites applications for tenure track faculty positions in Computer Science and Electrical and Computer Engineering. Exceptional candidates are welcome to apply in all areas of Electrical and Computer Engineering. In Computer Science, candidates with specialization in the areas of Computer Networking, Software Engineering, Databases, GIS and Security may be given preference. Positions remain open until filled.

## Essential Qualifications

Candidates must have earned a PhD in Computer Science/Computer Engineering/Electrical Engineering; have a good publication record; show ability or potential to establish an independent research program; demonstrate flair for innovation; be open to participate in developing new interdisciplinary programs of study; have the commitment to excel both in research and teaching and establish linkage with industry. Industry experience and/or post-doctoral experience will be considered an asset.

## Pay Scale and Benefits

Benefits available at NU that accrue to you as a faculty member of the University are given below.

- ❖ **PAY SCALE:** Compensation would be competitive with premier technical institutes and would not be a constraint for outstanding candidates.
- ❖ **RESEARCH GRANT:** Seed money for kick starting research is provided to the extent of Rs 5 Lakhs over a 2 year period to all faculty members.
- ❖ **CONFERENCE SUPPORT:** All expenses paid viz Registration Fees, travel cost, stay, etc as conference support is available for attending conferences to the extent of a maximum of two international conferences and two national conferences in a year, provided your paper has been accepted in a quality conference. In fact, NU takes pride in professional advancement of its faculty and goes out of the way to support them in their academic endeavors.

- ❖ **JOURNAL PUBLICATIONS:** An incentive for journal publications is available to the extent of Rs 50,000/- per paper (max two per year) provided the paper has been accepted in a refereed journal.
- ❖ **INDUSTRY ADVISORY BOARD (IAB):** Faculty members are encouraged to undertake consultancy projects so that their academic knowledge remains updated and relevant to the needs of the industry and the consultancy earnings that accrue is the sole right of the faculty members. Faculty at NU is permitted to earmark 1 day in a week for consultancy assignment as long as teaching and responsibilities of academic administration are not affected. NU's core principle of "Industry linked" and consequent formation of IABs are aimed at building a strong, engaging and active relationship with the industry. For more information, please visit: ([www.niituniversity.in/programs/industry-linkage](http://www.niituniversity.in/programs/industry-linkage)).
- ❖ **RESEARCH ADVISORY BOARD (RAB):** RAB facilitates interaction between researchers at reputed R&D Labs and NU faculty. At a broader level, the RAB will help NU outline its research agenda and priorities. RAB thus enables faculty members to access research facilities and exchange of ideas at the cutting edge of the emerging technologies. For more information, please visit: ([www.niituniversity.in/programs/research-advisory-board](http://www.niituniversity.in/programs/research-advisory-board)).
- ❖ **HOUSING:** NU provides campus or leased accommodation to faculty. Faculty choosing leased accommodation currently stays in a modern secured gated community close to NU. Shuttle services are available to commute to NU campus.

## Summary

The compensation offered and the allied benefits are highly competitive as compared to any other university in India.

## How to Apply

Applicants are invited to submit their curriculum vitae including employment history, a statement outlining research and teaching interests, a brief description of major contributions, list of consultancies and projects undertaken and names of at least three referees.
