Office Order

Date: June 04, 2018

Intellectual Property Evaluation Committee (IPEC)

The University's faculty resources comprise of high-level expertise in various technology areas which can be harnessed to provide knowledge and intellectual inputs to industry in the form of consultancy practice to assist as a significant tool in nurturing the industrial growth of the country. A set of constrained rights like copyrights, trademarks, patents, industrial design rights and trade secrets are identified under the corresponding fields of law. IPEC is guarded by law, like patents, copyrights, and trademarks, which allow the people to merit recognition or financial benefit from what they invent or create. By registering the right balance between the interests of the visionaries and the wider public interest, the IPEC system aims to adopt an environment in which creativity and innovation can flourish.

In Accordance with the policy to undertake sponsored Research, Industrial Consultancy & Manpower Development Programs, and Intellectual Property Right & Technology Transfer at NIIT University as Approved in 32 meeting of *Academic Council held on 17th April 2018. (Agenda Item No.32.08)*, an Intellectual Property Evaluation Committee as under has been constituted (Ref. Clause 4.7.1).

Sr. No.	Name / Designation	Department	Status
1.	Prof. Sunil Khanna, Dean Research	Biotechnology and Bioinformatics	ex-officio Chairperson
2.	Dr. Soumyadeep Chakraborty, Assistant Prof.	Biotechnology and Bioinformatics	Member
3.	Dr. Vivek Shrivastava, Assistant Prof.	Mathematics & Basic Sciences	Member
4.	Dr. Ipseeta Nanda, Assistant Prof.	Electronics & Communication Engineering	Member
5.	Mr. Vikas Upadhyaya, Assistant Prof.	Electronics & Communication Engineering	non-member Secretary of the Committee

Objectives of IPEC:

- To create an awareness about IPEC for all the faculty, staff members and students.
- Take appropriate actions to safeguard the interest of intellectual property owners.
- Arrange learning proposals for broadcasting knowledge related to IPR and to train the stakeholders by arranging seminars, training programmes, roundtables, missions etc.
- To impart quality training on future ventures regarding patent filing and related processes.
- To create an opportunity for Product expansion and Commercialization.
- Enhance the generation of revenue for the University and provide financial and reputational benefits for the creator(s) of the intellectual property.
