“Rally for Rivers”

[September 28, 2017]

Venue: Neemrana

The report highlights the objectives and event highlights of the Rally for Rivers event organized on September 28, 2017, in Neemrana. The primary objective was to raise public awareness about the depleting state of India's rivers and emphasize the urgency of taking immediate action for their conservation. The event saw a massive turnout of citizens, environmentalists, students, and representatives from various organizations, united in their concern for the country's rivers.

कार्यक्रम

जग्गी महाराज ने कहा-युवा साथ देंगे तो नदी बचाओ अभियान में होंगे कामयाब

नदियां बचाओ रैली का नीमराना में हुआ स्वागत

नीमराना | नदियों को बचाने के लिए निकले अभियान में ईशा फाउंडेशन के जग्गी महाराज ने युवाओं से आह्वान किया है कि वे नदियों एवं पेड़ पौधों को बचाने में अपनी महत्व भूमिका निभाएं ताकि आने वाला काल सुरक्षित हो सके। जग्गी महाराज जयपुर से दिल्ली होते हुए चंडीगढ़ रिवर बचाओ रैली में जल संयम इंपीआईपी औद्योगिक क्षेत्र के मुख्य द्वार पर युवाओं आगनवाड़ी कार्यक्रमों एवं अधिकारियों को संबोधित कर रहे थे। जग्गी महाराज का अलवर के प्रभारी मंत्री गजेंद्र सिंह खीवसर अलवर जिला कलेक्टर राजन विशाल जिला परिषद के मुख्य कार्यकारी अधिकारी बीएल रमन पंचायत समिति प्रधान महिला मनोज यादव उपखंड अधिकारी बलवंत सिंह लिप्री बर्निक प्रारंभिक शिक्षा अधिकारी श्यामसुंदर यादव नोडल अधिकारी लीलाराम, एनआईआईटी विश्वविद्यालय के सीओओ रिटायर्ड मेजर जनरल एके सिंह

वीमराना, जग्गी महाराज का स्वागत करते हुए प्रभारी मंत्री खीवसर एवं अन्य अधिकारी।

प्रबन्धक हेमेट्ट सिंह शेखावत विकास अधिकारी कविता विवेक मिश्रा, नायब तहसीलदार भवसिंह गोड़ बहरोड डीवाईएमपी परमलत सिंह गुजर धनाधिकारी हितेश शर्मा उप जिला प्रमुख रमन गुलाटी भाजपा के जिला उपाध्यक्ष

उमेश भाया सहित मैकडों की तादात में स्कूली छात्र छात्राएं मौजूद थे। इस मौके पर उन्होंने एनआई आई टी विश्वविद्यालय द्वारा नदियों को बचाया जा रहे अभियान को लेकर उनकी प्रशंसा करते हुए कहा कि वो एक दिन नीमराना

अबकर इस अभियान में जुड़ी हुईं तमाम पहलुओं पर चर्चा करेंगे उन्होंने विश्वविद्यालय के 2 छात्रों जोकि जल बचाओ एवं नदी बचाओ अभियान में जुड़े हुए हैं उन में भी चर्चा की तथा इस अभियान के बारे में बताया जग्गी महाराज ने कहा कि अगर हमारे साथ बच्चे इस अभियान में जुड़े रहेंगे तो निश्चित रूप से हम अपने महामंद में कामयाब होंगे उन्होंने युवाओं से आह्वान किया कि वह नदियों को बचाने के अभियान में जुड़ कर राष्ट्र के प्रति अपनी जिम्मेदारी को निभाने का काम करें। इस अवसर पर जल ग्रहण विकास एवं भू-संरक्षण के परियोजना प्रबंधक अश्विनी अभियंता अलवर इंस्टीट्यूट ऑफ इंजीनियरिंग, कनिष्ठ अभियंता हरिमोहन बेरवा, नीमराना सरपंच सतीशचंद्र मुद्गल उर्फ फौजी, पूर्व सरपंच अशोक मुद्गल, युवा नेता रिकू बड्डीवाल, क्लॉक मोक्षरता ममन्यक मनोज यादव आदि मौजूद थे।

Keynote speeches by Sadhguru Jaggi Vasudev shed light on the ecological significance of rivers, inspiring attendees to become proactive advocates for river conservation. NIIT University played a crucial role in the event, actively participating and organizing various activities. Awareness initiatives through banners and posters conveyed the importance of rivers and the need for immediate conservation efforts.

Registrar
NIIT UNIVERSITY
Neemrana

Attendees were encouraged to take a pledge committing to water-saving practices and spreading awareness about river conservation. Cultural performances added an engaging element to the event.

Neemrana was chosen as the venue due to its proximity to rivers facing significant challenges, highlighting the urgent need for conservation. The event had several notable impacts, including heightened awareness about river depletion, public engagement and support, policy advocacy, and an educational impact.

Registrar
NIIT UNIVERSITY
Neemrana

In conclusion, the Rally for Rivers event in Neemrana served as a pivotal milestone in the movement's efforts to conserve India's rivers. The active involvement of people and institutions like NIIT University showcased the potential of collective action in addressing environmental challenges and fostering a sustainable future for India's rivers.

Report on “School visit Under Community Connect”

[September 28, 2018]

Venue: Moh Government School

20 NUtons along with Dr. Chandan Medatwal and Mr. Rajesh Kumar went for their school visit to teach and spend time with their mentees. They left campus at 10:35 AM and reached Moh Government School at around 10:50 AM.

Armed with lectures, video tutorials, PPTs for the topics in which their mentees needed help, NUtons reached the school to deliver the knowledge they had in store. The school students greeted their mentors with happy faces. They had been waiting for their Didis and Bhaiyyas since morning. We were told that on Saturday, they are always excited as they get to meet their NUton mentors and spend quality time learning about the world outside of their small world.

Registrar
NIIT UNIVERSITY
Neemrana

The NUTons gave them remedial classes on Mathematics, Science, English respectively, based on the feedback received by their mentees. Some NUTons taught about the basics of computer functioning, while some others taught their mentees how to draw using paint brush.

Registrar
NIIT UNIVERSITY
Neemrana

The school reported that these visits are very informative and eagerly awaited by students, as they get to meet their mentors and learn about new things.

The basic purpose of the Community Connect Course is to connect students with the community at large through a Mentor Mentee relationship.

Report on
“Waste Paper Management”

[March 30, 2019]

Venue: Six nearby Schools

The Waste Paper Management initiative was conducted by NIIT University in six nearby schools: Senior Secondary Schools in Jhalawas and Neemrana, Government Schools in Manethi and Salarpur, Rastriya School in Neemrana, Parle School in Neemrana, and Girls Secondary School in Neemrana. The event, coordinated by Prof. Gurendra Nath Bhardwaj with the support of three students from NIIT University, took place on March 30, 2019.

Registrar
NIIT UNIVERSITY
Neemrana

The objective of the initiative was to raise awareness and promote sustainable waste management practices among students and staff in the participating schools, focusing specifically on waste paper management.

The event involved interactive sessions where students and staff were educated about the importance of waste paper recycling, its impact on the environment, and the benefits of responsible waste management. Practical demonstrations on waste paper segregation and collection were provided, emphasizing the correct methods of separating and storing different types of paper waste.

The Waste Paper Management initiative aimed to instill sustainable waste management habits and contribute to a cleaner environment. By engaging students and staff in the responsible collection and recycling of waste paper, the initiative promoted a greener and more eco-friendly approach to waste management in the participating schools.

Report on “Each One-Teach One”

[31st August 2019]

Venue: Neemrana surrounding towns

On 31st August 2019, the "Each One-Teach One" activity was conducted with the participation of students from various sections (A4, A5, A6, A7, A8, and A9). The goal of this activity was to promote education, awareness, and positive change within local communities. The students embarked on site visits to different locations, each accompanied by their respective teachers and mentors.

1. Site Visits and Participants:

- Section-A9 students visited Janaksinghpura, led by Mr. Dharendra Rathore.
- Sections-A5, A6, A7, and A8 students went to Kali Pahari, with guidance from Mr. Prashant Baral and Dr. Mohit Gupta.
- Section-A4 students explored Mohladia, accompanied by Ms. Sweta Sharma and Dr. Gaurav Gupta.

2. Objectives: The main objective of the site visits was to gain firsthand knowledge of the local ecosystems, environmental issues, and challenges faced by these communities. The students had the opportunity to observe and understand the unique aspects of each community's environment and lifestyle.

3. Awareness Activities: During the site visits, the students engaged in various awareness activities to benefit the local communities:

- Swachh Bharat: The students spread awareness about the importance of maintaining cleanliness and hygiene in the surroundings. They encouraged the locals to adopt proper waste disposal practices and keep their surroundings clean.
- Personal Hygiene: The students educated the communities about essential personal hygiene practices, such as handwashing and sanitation, to promote better health and well-being.
- Conservation of Water: Water conservation was emphasized as a crucial aspect of sustainable living. The students educated the communities on the responsible use of water to help conserve this vital resource.

4. Community Interaction: The students actively interacted with the locals during the site visits, fostering a sense of community engagement and mutual learning. They exchanged

Registrar
NIIT UNIVERSITY
Neemrana

knowledge and experiences, creating a positive impact on both the students and the communities they visited.

5. Role of Mentors: The teachers and mentors played a pivotal role in guiding and supporting the students during the site visits. Their expertise and supervision ensured that the educational experience was meaningful and safe.

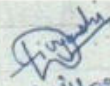

The "Each One-Teach One" activity, through its site visits and awareness activities, enabled students to be proactive in learning and sharing knowledge with the communities. By promoting education, awareness, and responsible practices, the students aimed to contribute positively to the well-being of the local communities and foster a sense of social responsibility among themselves.

“Empowering Students: Exploring Careers and Solar Energy Awareness”

[October 01, 2019]

Venue: Elite Global School, Gonedada

NIIT University, in its commitment to promoting education and career opportunities, organized a special activity at Elite Global School, Gonedada. The activity, coordinated by Prof. Gurendra Nath Bhardwaj, Dr. Narayan Kumar, and Ashu Dubey from NIIT University, aimed to provide valuable insights to the students about different career paths and opportunities in specific fields.

During the event, the team not only focused on guiding students about career opportunities but also took the opportunity to create awareness about the importance of solar energy. They educated the students about the benefits and potential of solar energy in addressing environmental challenges and promoting sustainable development. The aim was to inspire the students to consider solar energy as a viable and impactful field for future career choices.

Dr. Narayan Kumar and Ashu Dubey, along with their expertise in their respective fields, also emphasized the role of solar energy in shaping the future and encouraged students to explore opportunities in this growing industry. By creating awareness about solar energy, the team aimed to instill an understanding of the importance of renewable energy sources and foster a sense of environmental responsibility among the students.

Through this activity, the students of Elite Global School had the opportunity to gain knowledge about different career pathways and the significance of solar energy in today's world. The coordinated efforts of Prof. Gurendra Nath Bhardwaj, Dr. Narayan Kumar, and Ashu Dubey from NIIT University played a crucial role in ensuring the success of the activity and providing valuable guidance to the students.

This activity at Elite Global School, Gonedada showcased NIIT University's dedication to empowering students with both career insights and an understanding of renewable energy. The efforts of the team in creating awareness about solar energy reflected their commitment to promoting sustainable practices and preparing students for a future focused on environmental conservation.

“Awareness on Digital Technologies in Business Operations”

[May 30, 2022]

Venue: Indian Ocean Paints, Neemrana.

On 30th May 2022, NIIT University conducted an outreach activity at the Natural Paint Plant run by Indian Ocean Paint. The objective was to create awareness and provide guidance on utilizing digital technologies to enhance the business operations of Indian Ocean Paint. The activity was coordinated by Prof. Gurendra Nath Bhardwaj, Dr. Anshima Srivastava, Dr. Vivek Srivastava, and student representative Nandini from NIIT University.

The NIIT University team introduced themselves and expressed gratitude for the opportunity to visit Indian Ocean Paint. They shared insights on various digital technologies, including digital marketing, data analytics, cloud computing, and automation. The team discussed the importance of aligning digital strategies with business goals and maintaining data security.

Registrar
NIIT UNIVERSITY
Neemrana

Discussions were held to understand Indian Ocean Paint's operations, challenges, and opportunities. The NIIT University team provided specific recommendations tailored to Indian Ocean Paint's needs, focusing on marketing, production, supply chain, and customer relationship management. They emphasized the potential benefits of digital transformation and offered individualized support.

Interactive sessions allowed the Indian Ocean Paint team to seek clarification, share concerns, and gain further insights into the implementation of digital technologies. The NIIT University team provided resources, case studies, and references to aid in the company's digital transformation journey.

The outreach activity showcased NIIT University's commitment to promoting digital technologies in business operations. The coordinated efforts of Prof. Gurendra Nath Bhardwaj, Dr. Anshima Srivastava, Dr. Vivek Srivastava, and student representative Nandini demonstrated their expertise and dedication.

The outreach activity exemplified NIIT University's commitment to knowledge dissemination, industry engagement, and community development. The collaboration between academia and industry contributes to growth and advancement, fostering innovation and economic progress.

Report on “International Day of Girl Child”

[October 11, 2019]

Venue: Five different schools located near Neemrana

11th October is celebrated as the International Day of the Girl Child. On this occasion NIIT University partnered up with Kailash Sathyarathi Children’s Foundation to join the 100 Million campaign and organised parades outside five schools in and around Neemrana. These parades were followed by interactive sessions in the schools where NUtons discussed the importance of education. This interactive session was specifically aimed at promoting the goal of compulsory education for girls till the age of 18 on which Kailash Sathyarathi Children’s Foundation is doing extensive work.

Team siNUsoid planned out this event under the guidance of Maj. Gen. A.K. Singh with extensive help from faculty coordinators and the Admin team. 102 NUtons participated in this event and shared the importance of this cause with around 430 students from the schools listed below.

1. Sr. Secondary Girls School, Neemrana
2. Govt. School, Janaksinghpura
3. Govt. School, Mohladia
4. Govt. School, Kali Pahadi
5. Mohal Lal Dayal Vinay Mandir(MDVM) Parle School, Neemrana

Three buses were arranged for the transportation of volunteers. These buses left the volunteers 1KM away from the destination from where the volunteers marched towards the school while chanting slogans. These volunteers also carried hand painted posters to catch the attention of people walking nearby. All the posters were put up inside the school once the interactive sessions ended.

“Workshop on Decomposition of kitchen waste”

[December 14, 2019]

Venue: Rao Sohan Lal PG College

The "Workshop on Decomposition of Kitchen Waste," organized by the NSS volunteers and Unnat Bharat coordinators of NIIT University on December 14, 2019, proved to be an informative and impactful event. The workshop aimed to raise awareness about sustainable waste management practices, with a specific focus on decomposing kitchen waste through composting to reduce environmental impact and foster a cleaner and greener environment.

The workshop commenced with an enlightening overview of kitchen waste and its detrimental impact on the environment. The session emphasized the urgency of proper waste management to alleviate the burden on landfills and mitigate greenhouse gas emissions.

A key highlight of the event was the introduction to composting as an eco-friendly waste management technique. Participants learned about the numerous benefits of composting, including the production of nutrient-rich organic fertilizer and the significant reduction of waste generation.

Registrar
NIIT UNIVERSITY
Neemrana

The workshop featured a practical demonstration of composting techniques, allowing attendees to observe the decomposition process and learn how to create their compost bins at home. This hands-on experience equipped participants with the knowledge and confidence to initiate composting practices in their daily lives.

An essential aspect of the workshop was the dos and don'ts of composting. The session provided valuable guidelines on the types of kitchen waste suitable for composting and those to avoid, ensuring a well-balanced and efficient composting system.

Registrar
NIIT UNIVERSITY
Neemrana

Moreover, the workshop encouraged community initiatives and the role of individuals in promoting waste decomposition. Participants were inspired to actively engage in spreading awareness about composting practices and take concrete steps to implement them in their neighborhoods.

The "Workshop on Decomposition of Kitchen Waste" had a positive impact on the participants. By the end of the event, the attendees gained a comprehensive understanding of the environmental implications of kitchen waste and the importance of composting as a sustainable waste management solution.

The practical demonstration offered a tangible and visual representation of the composting process, fostering a sense of empowerment and responsibility among the participants to practice composting in their daily lives.

The workshop's informative sessions and hands-on activities inspired individuals to become proactive environmental stewards, demonstrating their commitment to preserving the environment and promoting sustainability.

The NSS volunteers and Unnat Bharat coordinators expressed their gratitude to the esteemed guest speakers for their valuable contributions and expertise. They also appreciated the active engagement and interest shown by the participants throughout the workshop.

Registrar
NIIT UNIVERSITY
Neemrana

Registrar
NIIT UNIVERSITY
Neemrana

In conclusion, the "Workshop on Decomposition of Kitchen Waste" served as a vital platform for disseminating knowledge and empowering individuals to actively participate in sustainable waste management practices. The event highlighted the transformative potential of composting in reducing waste generation and promoting a cleaner and greener environment. It inspired participants to become environmental advocates, fostering a culture of eco-consciousness and responsible waste management. The workshop's impact extended beyond its duration, as participants were motivated to take concrete steps towards a more sustainable and environmentally friendly lifestyle.

“Unnat Bharat Abhiyan Initiative: Empowering Workers at Pranjal Apparels”

[*March 08, 2020*]

Venue: Pranjal Apparels, Neemrana

As part of the Unnat Bharat Abhiyan (UBA) initiative, NIIT University undertook an activity at Pranjal Apparels in Neemrana. The activity aimed to provide training to the workers of Pranjal Apparels in making face masks and Personal Protective Equipment (PPE) kits. The team also created awareness about Covid-19 and promoted hygiene practices among the workers. Furthermore, the team assisted the workers in producing liquid manure using kitchen waste.

The activity was coordinated by Prof. Gurendra Nath Bhardwaj, Dr. Vivek Srivastava, Dr. Narayan Kumar, and Ashu Dubey from NIIT University.

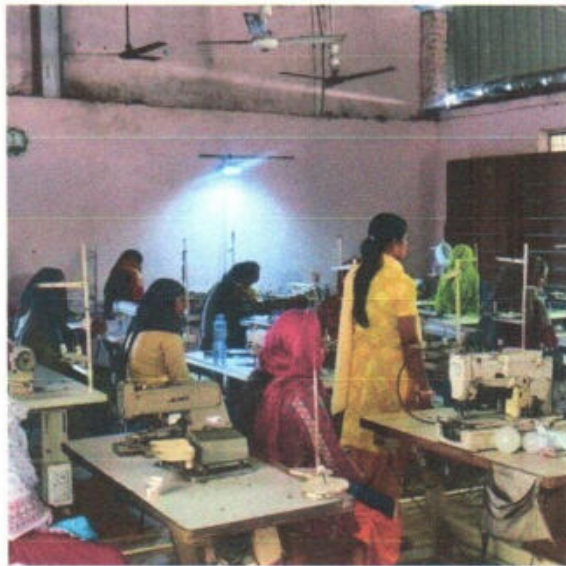

The team conducted training sessions for the workers on making face masks and PPE kits. The objective was to empower the workers with the skills and knowledge required to produce these essential items. The training encompassed techniques for cutting fabric, stitching, and assembling masks and PPE kits.

In addition to the technical training, the team also focused on creating awareness about Covid-19 and promoting hygiene practices among the workers. They conducted interactive sessions, presentations, and discussions to educate the workers about the importance of maintaining personal hygiene, practicing social distancing, wearing masks, and following other precautionary measures.

As part of the activity, the team assisted the workers in Pranjal Apparels in the production of liquid manure using kitchen waste. They shared knowledge and techniques on composting and explained the benefits of utilizing kitchen waste to create organic fertilizers.

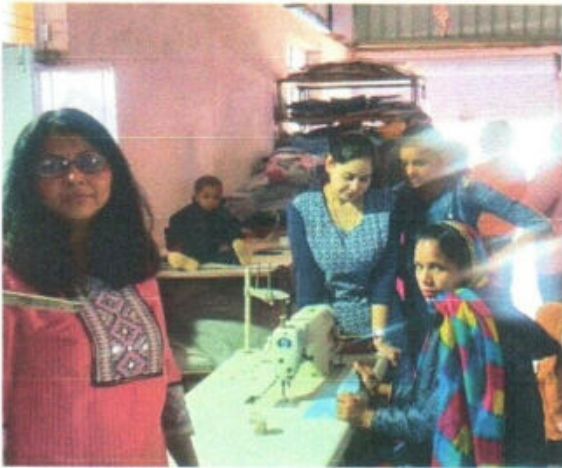

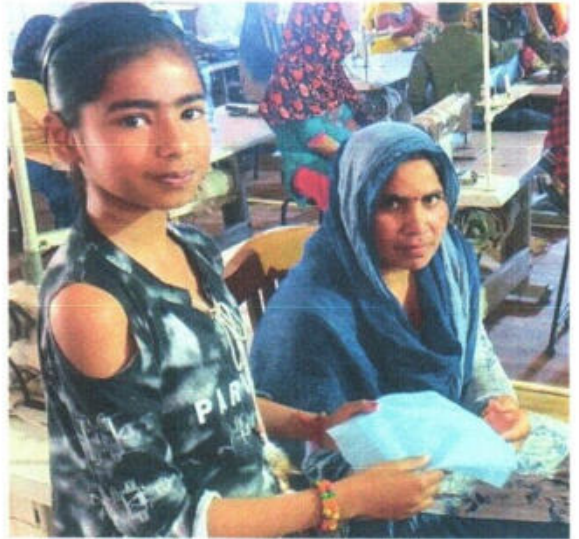

The activity conducted by NIIT University at Pranjal Apparels in Neemrana as part of Unnat Bharat Abhiyan (UBA) proved to be a significant step towards skill development, raising awareness about Covid-19, and promoting sustainable practices. The training provided to the workers on making face masks and PPE kits enhanced their employability and contributed to local production capabilities. The team's efforts in educating the workers about Covid-19 and promoting hygiene practices helped safeguard their health and well-being. Furthermore, the initiative to create liquid manure through kitchen waste demonstrated the importance of sustainable waste management and eco-friendly solutions.

Report on “Management Education: Staying Relevant”

[May 13, 2020]

Venue: Virtual event

The report outlines the virtual webinar titled "Management Education: Staying Relevant" conducted by NIIT University on May 13, 2020. The webinar aimed to address the challenges and opportunities in management education amidst rapidly changing business environments and technological advancements. Distinguished experts, academicians, and industry leaders formed the expert panel, sharing insights and experiences on the topic.

The primary objective of the webinar was to explore strategies for keeping management education relevant to the evolving industry needs. Discussions highlighted the impact of technology on business processes and the need to integrate technology-related courses into the management curriculum. The importance of industry-academia collaboration and skill development programs, such as leadership and critical thinking, were emphasized.

The webinar's highlights encompassed real-life case studies, showcasing successful adaptations in management programs to meet industry demands. The interactive Q&A session allowed participants to engage with the panelists, seeking advice and insights.

The webinar's impact and outcomes were significant, providing valuable insights for management educators to adapt their programs to meet industry relevance. The event emphasized

 Registrar
 NIIT UNIVERSITY
 Neemrana

the alignment of management education with technological advancements and industry demands. Strategies for skill enhancement and industry-academia collaboration empowered participants to enhance their management curriculum.

In conclusion, the webinar "Management Education: Staying Relevant" conducted by NIIT University demonstrated the institution's commitment to excellence in management education. The comprehensive discussions and industry-academia collaboration emphasis showcased NIIT University's dedication to preparing future business leaders for a dynamic and evolving business landscape. The event provided an enriching platform for discussions and networking, inspiring academic institutions to embrace innovation and stay relevant in the ever-changing world of management education.

In conclusion, the webinar "Reshaping MBA for the Post-COVID World" organized by NIIT University proved to be a timely and insightful platform for discussing the impact of the pandemic on MBA education. It showcased the university's commitment to excellence in management education and leadership development. The event's comprehensive discussions and valuable insights contributed to enhancing the preparedness of MBA programs to adapt and thrive in the post-COVID business landscape.

Report on “Awareness Campaign on Covid-19 Vaccination”

[November 29, 2020]

Venue: Gonedra, Rajasthan

NIIT University conducted an awareness campaign on Covid-19 vaccination on 29th November 2020 in Gonedra, Rajasthan. The campaign aimed to educate the community about the importance of vaccination, hygiene practices, sanitization, social distancing, and mask-wearing. Prof. Gurendra Nath Bhardwaj, Dr. Narayan Kumar, and Ashu Dubey from NIIT University coordinated the campaign.

The campaign involved various activities to raise awareness and provide essential information. Educational sessions were conducted to explain the benefits of Covid-19 vaccination and address any concerns or misconceptions. Participants were educated about the significance of maintaining good hygiene practices, such as regular handwashing and using sanitizers. The importance of social distancing and maintaining a safe physical distance in public spaces was emphasized. Additionally, the community was sensitized about the importance of wearing masks to prevent the spread of the virus.

Registrar
NIIT UNIVERSITY
Neemrana

As part of the campaign, masks were distributed to the community members to encourage mask-wearing and ensure access to protective equipment. This initiative aimed to promote consistent mask usage and contribute to the collective efforts in controlling the spread of Covid-19.

The impact of the campaign was substantial. Participants gained a better understanding of Covid-19 vaccination, hygiene practices, sanitization, social distancing, and mask-wearing. The campaign successfully influenced behavior change, motivating individuals to adopt preventive measures in their daily lives. The active engagement of the community fostered a sense of collective responsibility in adhering to safety guidelines.

In conclusion, the awareness campaign conducted by NIIT University on Covid-19 vaccination effectively educated and raised awareness among the community. The coordination of Prof. Gurendra Nath Bhardwaj, Dr. Narayan Kumar, and Ashu Dubey contributed to the success of the campaign. By spreading awareness about vaccination, hygiene practices, sanitization, social distancing, and mask-wearing, the campaign played a vital role in combating the spread of Covid-19 and ensuring public health and safety.

“Development of Organic Kitchen Garden”

[August 05, 2021]

Venue: PrabhuG Seva Mission Foundation, Neemrana.

On 5th August 2021, NIIT University organized an outreach program in collaboration with PrabhuG Industries Pvt. Ltd., Neemrana. The program aimed to develop an Organic Kitchen Garden for the workers of the company. Prof. Gurendra Nath Bhardwaj and Dr. Vivek Srivastava from NIIT University led the initiative.

The activities involved in the program included the assessment of the site at PrabhuG Industries Pvt. Ltd. in Neemrana to determine the best area for the garden. The team planned and designed the layout, considering factors such as sunlight exposure, soil quality, and water availability.

Registrar
NIIT UNIVERSITY
Neemrana

To prepare the soil, the team removed weeds, tilled the soil, and added organic compost to enhance fertility and nutrient content. Careful consideration was given to the selection and placement of crops, following organic gardening practices. Irrigation systems were set up, and workers were trained on proper watering techniques and the importance of regular maintenance, including weeding, mulching, and pest control using organic methods.

Registrar
NIIT UNIVERSITY
Neemrana

The collaboration between NIIT University, PrabhuG Industries Pvt. Ltd., and the workers fostered a sense of community and collective responsibility towards sustainable practices.

In conclusion, the outreach program organized by NIIT University successfully developed an Organic Kitchen Garden at PrabhuG Industries Pvt. Ltd. The initiative led by Prof. Gurendra Nath Bhardwaj and Dr. Vivek Srivastava promoted sustainable farming practices, provided access to fresh and healthy produce, and enhanced the workers' skills. The development of the garden exemplifies the positive impact that organizations can have in creating a healthier and more sustainable community.

“Solar Energy Education Campaign: Empowering the Next Generation”

[September 22, 2019]

Venue: Schools in Neemrana

NIIT University actively participated in the Unnat Bharat Abhiyan (UBA) initiative on September 22, 2019. The primary objective of the activity was to raise awareness about solar energy among students and encourage their involvement in a Mega Event organized jointly by NIIT University and IIT Bombay. This Mega Event was part of the Gandhi Global Solar Yatra (GGSY) and aimed to set a Guinness World Record.

The activity was coordinated by Prof. Gurendra Nath Bhardwaj, along with four students from NIIT University. They visited Raath International School, Parle School, and Rastriya School in Neemrana to engage with the students. Through interactive sessions, presentations, and discussions, the team educated the students about the importance of solar energy and its

Registrar
NIIT UNIVERSITY
Neemrana

numerous benefits. They emphasized how solar power can contribute to sustainable development and address environmental challenges.

During their visit, the team also motivated the students to participate in the upcoming Mega Event. This event, jointly organized by NIIT University and IIT Bombay, aimed to promote solar energy awareness and set a Guinness World Record. The team highlighted the significance of active student participation and encouraged them to make a meaningful contribution to the global initiative.

Overall, NIIT University's activity as part of the Unnat Bharat Abhiyan (UBA) on September 22, 2019, successfully created awareness about solar energy among students. Prof. Gurendra Nath Bhardwaj and the team of four students played a vital role in engaging with the students from various schools in Neemrana. By motivating them to take part in the Mega Event, the team encouraged the students to actively promote solar energy and contribute to a Guinness World Record attempt. This activity showcased NIIT University's commitment to sustainable development and its efforts to create a cleaner and greener future.
