Also present were Mr Rajendra Pawar, Founder; Mr Vijay Thadani, Co-founder; and Prof Prakash Gopalan, President, NIIT University.

On this significant occasion, the G20 Sherpa **Mr Amitabh Kant** delivered an inspiring address drawing from his own learnings - **“Driving Change: My Journey of Continuous Personal Transformation”**. He emphasized the importance of using information and knowledge to develop the ability to adapt, innovate, and tackle challenges as they arise. Only then can we make a difference in today’s information age. His reflections on his journey and insights into continuous growth captivated the audience, comprising students, faculty, and distinguished guests.

The theme, "Driving Change: My Journey of Continuous Personal Transformation," aligns closely with the vision of NIIT University, conceptualized by Mr Rajendra S Pawar, to inculcate innovation in higher education. Mr Pawar collaborated with the foremost thought leaders of our country, to create a new model of higher education dedicated to shaping young minds who are not only academically proficient but also equipped to drive meaningful changes in the world.

The 16th Annual Lecture stressed upon promoting overall growth by inspiring learners to be original thinkers and life-long learners, pursuing excellence in all facets of life.

Mr Rajendra S Pawar, Founder, NIIT University, said, *"We are delighted to have Amitabh Kant as our chief guest for the 16th Annual Lecture. His words on the importance of continuous growth and personal transformation aligns with the vision of NIIT University. We believe in shaping not just careers but individuals who can contribute meaningfully to the society."*

Prof Prakash Gopalan, President, NIIT University said, *"The Annual Lecture Series highlights our commitment to fostering holistic development in our students. This year, Amitabh Kant's insights have enriched the event by emphasizing the importance of personal transformation and the power of a well-nurtured mind. By focusing on overall development, NIIT University strives to equip its students with the resilience, creativity, and leadership skills needed for lifelong growth. We are grateful for Mr. Kant's thought-provoking address, which has inspired us all to reflect on the journey of continuous self-improvement and transformation."*

Conceptualized as an institution of excellence, NIIT University provides exceptional education based on the Four Core Principles that make learning Industry-linked, Technology-based, Research-driven, and Seamless. NU is well poised to meet the emerging needs of the knowledge economy through its focus on building strong industry linkages and a research-oriented approach.
